Material Requirements

Advertisers must provide digital ads as a PDF X-1A or TIF. PDF X-1A is the only acceptable PDF file type. If the PDF does not meet X-1A standards, your files may be rejected. All files must be CMYK with a resolution of 300DPI at 100% size. NO OTHER AD FILE TYPES WILL BE ACCEPTED. Please include necessary bleed on full page ads. Advertisers must send/provide files electronically using the directions in the AD SUBMISSION section below.

Ad Submission

Step 1: Check your ad to confirm it follows the size, bleed and live area specifications given on this sheet.

Step 2: Check that all artwork is AT LEAST 300DPI CMYK. Colors MUST be converted to "process" CMYK. NO Pantone or "spot" colors.

Step 3: Export ad as a HIGH-RESOLUTION PDF x-1A or TIF. Please put advertiser's name and ad size in file name. For ex. RamadaInn_3.5"x4.875".PDF

Step 4: Upload ad to: Pikes-Peak.com/ovg
